Hello!

My name is Victoria Khan. I've been appointed to your Licking Metropolitan Housing (LMHA) Board of Commissioners, as the Tenant/Resident Commissioner. I am a tenant, like yourselves, who is also a benefactor of the LMHA program. My duty as your Tenant-Resident Commissioner is to represent tenants such as yourself and who receive housing assistance from LMHA, including people on the "wait list", or those waiting to apply.

My duty is to be your representative should you have any questions, opinions, comments or problems with regard to your LMHA application, application process, or tenancy that can not be resolved through routine administrative actions or you feel otherwise have not been met.

It is my pleasure to be of service to you should you have any additional concerns with your LMHA housing needs.

You may reach me in writing:
